RE: Freedom of Information Act Request
FOIA Control No.: 18-FI-HQ-00996
Civil Action Number: 18-cv-793

Dear Mr. Evers:

This letter is an interim response to your Freedom of Information Act (FOIA) request dated March 1, 2018. Your request was received on March 2, 2018, and you asked for all Department of Housing and Urban Development records since January 20, 2017, reflecting communications (including but not limited to emails, email attachments, text messages, chat or Slack messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any responsive communications, summaries of any responsive communications, or other materials) between (a) Secretary Benjamin Carson; his chief of staff; or any political appointees or career SES employees in the Office of the Secretary or the Office of Public Affairs and (b) Armstrong Williams, any employee or representative of Armstrong Williams Productions, LLC (AWP) (@armstrongwilliams.com), Shermichael Singleton, or any employee or representative of Howard Stirk Holdings or HSH Media (@hsh.media), or any employee or representative of Graham Williams Group.

“Political appointee” is understood as any person who is a Presidential Appointee with Senate Confirmation (PAS), a Presidential Appointee (PA), a Non-career Senior Executive Service (SES) member, any Schedule C employees, or any persons hired under Temporary Non-career SES Appointments, Limited Term SES Appointments, or Temporary Transitional Schedule C Appointments.

For this release, you asked that we limit our review in the following ways:

1. Review only emails, temporarily excluding attachments;
2. Exclude records of custodians David Eagles, Hunter Kurtz, and Pam Patenaude;
3. Exclude HUD Daily Briefings, unless forwarded with additional content; and
4. Exclude records flagged for Shermichael Singleton’s hud.gov account while he was an employee of the Department (January 20, 2017 – February 16, 2017).

Your request is granted in part. Enclosed is a set of email communications with the specified parties. For this interim release, 4,908 de-duplicated records were located through our electronic discovery search. Applying the limitations detailed above, 2,565 potentially-responsive emails were identified, with the following results

I am withholding personal email addresses, cell phone numbers, employees' non-public salary information, contact information of references, and private information regarding employees' family members and friends under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy.

Please be advised that the review of records responsive to your request is ongoing. Further interim responses may be provided to you as this process continues. At the completion of this review, a final response letter will be provided. The final response letter will detail all applicable appeal rights.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6. Please also be advised that all appeal rights related to your request will be provided to you in a final response letter.

If you have questions regarding your request, please contact Assistant United States Attorney Joshua Kolsky at (202) 252-2541. Thank you for your interest in the Department's programs and policies.

Sincerely,

Great! I think there might be some confusion with where the interviews are taking place. I just saw an email where the interviews are scheduled at HUD not PTT, but will have Andrew confirm with Kellie.

Hey all -

Hope everyone has their paperwork squared away ? thanks for getting all of that taken care of today.

I was hoping we could all gather back in the Secretary's conference room tomorrow at noon. If you would like, please feel free to grab lunch and bring it with you. It is going to be very casual and more of a get to know each other vs. a formal meeting.

Thanks and see you all tomorrow!

1) Hillary racist / sexist trump attacks last night

Hillary: So he has a long record of engaging in
racist behavior (grunt)// He has really started his political
activity based on this racist lie that our first black president
was not an American citizen. //CLINTON: this is a man who has

Responsive Emails

called women pigs, slobs and dogs, and someone who has said pregnancy is an inconvenience to employers, who has said...

22:35:13 TRUMP: I never said that. 22:35:14 CLINTON: women don't deserve equal pay unless they do as good a job as men.

22:35:17 TRUMP: I didn't say that. // he loves beauty contests, supporting them and hanging around them and he called this woman miss piggy// You know, just join the debate by saying more crazy things

Hillary also saying it's not just cops, but most Americans are racist

21:53:49 CLINTON: Lester, I think implicit bias is a problem for everyone, not just police. I think, unfortunately, too many of us in our great country jump to conclusions about each other. And therefore, I think we need all of us to be asking hard questions about, you know, why am I feeling this way?

2) FACT CHECK: Hillary says crime has continued to drop, including murders, but FBI just reported violent crime and murders both went up in 2015

21:56:35 CLINTON: Well, it's also fair to say, if we're going to talk about mayors, that under the current mayor, crime has continued to drop, including murders. So there is...

21:56:44 TRUMP: No, you're wrong. You're wrong.

21:56:47 CLINTON: No, I'm not.

21:56:47 TRUMP: Murders are up. All right. You check it.

Dear Ms. Bass,

I hope you do not mind me following up, but I was wondering whether you might have had the opportunity to discuss my invitation further with Secretary Carson? It would be fantastic to host our first sitting Secretary for Housing and Urban Development here at the Oxford Union, following on from having the Secretaries of State, Defence and Treasury two terms ago.

Please do let me know if there is anything I can do to help make this possible.

Thanks for that quick phone call, and for providing what I assume to be the correct email address to that below. As you will see below, I was given your contact details by Mr. Singleton, as you are the best person to contact to continue a discussion with regards to hosting Secretary Carson at the Oxford Union this year.

Indeed, over the past few months, I have had an extensive exchange of telephone calls and emails with Secretary Carson's former aide, Mr. Singleton (see below), with regards to an invitation the Oxford Union has extended to the Secretary to come and speak here. Indeed, Secretary Carson has personally expressed his interest in speaking here, following in the footsteps of US Presidents Reagan, Nixon and Carter, Senator John McCain, Leader Pelosi and Senator Robert Kennedy, as well as US Secretaries John Kerry, Ash Carter and Jacob Lew, all of whom have come over the past couple of terms.

In my last phone conversation with Mr. Singleton, we discussed the logistics and possible dates that Secretary Carson could come

to discuss the Urban Development issues that both our nations face, and how best to address them - as you will see below, Mr. Singleton has suggested that you are the best person to continue that discussion in his absence. I hope you are well and have had a wonderful Summer.

First of all, I want to sincerely thank you for your effort in trying to organise for Dr Carson to come to the Oxford Union. Although we had a fantastic term of events, including hosting US Secretary Ashton Carter and Jacob Lew, President-Elect Trump's Former Campaign Manager Corey Lewandowski, Goodluck Jonathan, Lt Gen Sean MacFarland and UK Speaker John Bercow, it was a shame that Dr Carson was unable to accept our invitation also.

That said, we are now building our term card for the Spring term, which runs from January 15th until March 11th. I would be grateful if you could pass on to Dr Carson that our invitation to speak at the Oxford Union still stands, and indeed, we would be honoured to host him for an individual address at some point within these dates. Furthermore, I was recently elected Vice-President of the Oxford Union, so I would be particularly thrilled to host Dr Carson during my term in office.

As such, we would be willing to contribute towards the cost of the international flights for Dr Carson, on top of covering UK transport and accommodation in a 5* hotel or Oxford College for Dr Carson, his wife and yourself.

Carson to participate in this historic debate; it is one that is certainly on the minds of many in the US and we would, therefore, be delighted if someone of Dr Carson's distinction were to tackle it head on.

With regards to dates, I am currently leaning towards locking down the 3rd November due to the interest and preference of other notable speakers. If Dr Carson would like to participate, would this date work? (If not, do not worry, as I am happy to keep the two alternative dates open).

Thank you for your help thus far and I look forward to hearing from you soon.

Thank you for your quick reply.

Given that Dr. Carson is someone of immense distinction, and that this event is set to have global significance, I will shortly be meeting with the President and Treasurer to discuss what options we have in this exceptional circumstance. Though I should say that if we were able to cover the cost of international travel, it would most likely only be available to Dr.Carson.

As mentioned, it is only in very exceptional circumstances that we are able to pay for flights, but I will do my best. Many speakers agree to cover at least part of their own international travel because the prestige of speaking in our historic chamber, and the impact this can have, is such a strong impetus for coming.

If we are able to cover this cost, may I ask Dr. Carson's preferred dates (20th October, 27th October, 3rd November)?

Thanks again.

If Dr. Carson is interested in participating, it would be fantastic to know his preferred date(s) so that I can reconcile this with the preference of others.

We hope that Dr Carson recognises the significant benefits of speaking on such a platform. It is an opportunity for him to have his say on a platform previously occurred by the likes of four US Presidents and, more recently, John Kerry, John McCain and Nancy Pelosi.

Indeed, if you or he would like to discuss this further, I'd be happy to set up a call and run you through all the details. Otherwise, let me know if there is anything I can do in the meantime, and I look forward to hearing from you soon.

Dear Mr Singleton,

Thank you for your swift response and it is very nice to meet you, albeit over email.

We are currently in communication with a number of very high profile US political figures. Many have expressed interest and we are now seeking to find the most suitable date for all. Until this is done, I cannot confirm exactly who Dr Carson will be debating alongside/against, but I am happy to keep you updated as and when confirmations come in.

Responsive Emails

What I can assure you is that all other participants will be of the same high calibre as Dr Carson, especially since I am working very closely with the President of the Oxford American Society and the Union's contacts in the US to ensure this is so. Indeed, the Oxford Union is known for pulling off hugely high profile events, as exemplified by Secretary John Kerry's visit this outgoing term. As I stated below, we expect this to be our headline event given the timing, and we would love Dr Carson to be a part of it.

The format of the event would be a debate in the British Parliamentary style. On each side, there would be a student speaker and two guest speakers of distinction. Each would speak for approximately ten minutes in the debate. Dr Carson will not need to take questions from students, however, this style of debating does allow for 'Points of Information'; that is, a student or guest speaker may attempt to make interruptions, which the speaker may respectfully accept or decline.

The Oxford Union is a student-run society with charitable status. As such, we are not able to cover the cost of international flights. That said, we can offer to cover all UK transport and accommodation in a 5* hotel or Oxford college for Dr Carson, his wife and yourself. We also host a black tie three-course dinner before the event and a formal drinks reception after the event that you would all be welcome to attend.

I hope that answers your questions. As promised, I have attached a formal invitation for Dr Carson which offers similar detail to the one in this email.

It would be great to set up a call to discuss this further. In the meantime, please feel free to contact me if you have any other queries.

Thank you again for reaching out and I look forward to hearing back from you.

Lastly, will travel and hotel accommodations be provided, if so, for how many individuals? Usually, it's Dr. Carson, his wife Mrs. Candy Carson, and myself as his Communications Director.

Also, please send a formal invitation along with the answers to the above questions. Thank you and I look forward to your response.

Dear Sir/Madam,

First of all, I apologise for introducing myself via email. My name is Chris and I am the Assistant to the President of the Oxford Union, Noah Lachs, for the Autumn term. I am also the executive committee member organising the upcoming term's US debate. I am writing with the hope that you may be able to pass an invitation on to Dr Carson.

Founded in 1823, the Oxford Union is the largest society at the University of Oxford and one of the most famous student societies in the world. In the past we have hosted visits from US Presidents Reagan, Nixon and Carter, Nancy Pelosi, Morgan Freeman, the Dalai Lama, Mother Teresa, and, just this outgoing term, Secretary John Kerry and Former British Prime Minister John Major.

It is with great delight that I invite Dr Carson to continue this tradition of hosting big political names and to speak in a debate on the motion:

This House believes the US Presidential race reveals a broken two-party state.

Given the timing of the event and the fact that we are, principally, a debating society, we expect this debate to be the headliner of our term card and one that may have a momentous impact on the US election. We are also working in collaboration

Responsive Emails

with the President of the Oxford American Society to ensure this is so.

If Dr Carson were to be interested, there are three possible dates for the debate in order for it to be before the Presidential election (likely to be held, as is tradition, on a Thursday): 20th October, 27th October or 3rd November. I would be happy to send a formal invitation with further information about the event included. We do recognise that our debates are far more restrictive in terms of scheduling than our speaker events. As such, if Dr Carson is not available for the above dates, but would still be interested in coming, before or after the election, we would be utterly thrilled to host him individually nonetheless.

Thank you in advance for your help and please do not hesitate to contact me if you have any questions.

With warm regards,

Chris

Subject: Oxford Union - Invitation for Secretary Ben Carson

Dear Ms Greenwood,

I hope that this email finds you well and that you do not mind me reaching out through an unsolicited avenue. My name is Chris and I am the President Elect of the Oxford Union, the University of Oxford's debating and speaking society.

Over the past months, I have had an extensive exchange of telephone calls and emails with Secretary Carson's former aide, Mr. Singleton (see below), with regards to an invitation the Oxford Union has extended to the Secretary to come and speak here. Indeed, Secretary Carson has personally expressed his interest in speaking here, following in the footsteps of US Presidents Reagan, Nixon and Carter, Senator John McCain, Leader Pelosi and Senator Robert Kennedy, as well as US Secretaries John Kerry, Ash Carter and Jacob Lew, all of whom have come over the

past couple of terms.

In my last phone conversation with Mr. Singleton, we discussed the logistics and possible dates that Secretary Carson could come to discuss the Urban Development issues that both our nations face, and how best to address them - Mr. Singleton has suggested that you or Ms Deana Bass are the best people to continue that discussion in his absence. As such, I wondered whether you might have time to set up a call so that I can introduce myself properly and so that we might, perhaps, be able to continue those discussions?

I have attached a formal letter of invitation that contains further information, and which I would be grateful if you could pass on to the Secretary. If there is anything else I can do in the meantime, please do not hesitate to let me know.

Best wishes,

Chris

Dear Mr Singleton,

I hope you are well and have had a wonderful Summer.

First of all, I want to sincerely thank you for your effort in trying to organise for Dr Carson to come to the Oxford Union. Although we had a fantastic term of events, including hosting US Secretary Ashton Carter and Jacob Lew, President-Elect Trump's Former Campaign Manager Corey Lewandowski, Goodluck Jonathan, Lt Gen Sean MacFarland and UK Speaker John Bercow, it was a shame that Dr Carson was unable to accept our invitation also.

That said, we are now building our term card for the Spring term, which runs from January 15th until March 11th. I would be

grateful if you could pass on to Dr Carson that our invitation to speak at the Oxford Union still stands, and indeed, we would be honoured to host him for an individual address at some point within these dates. If I can provide any further information, please do let me know. Otherwise, I look forward to hearing from you soon.

Good morning and I apologize for the delayed response. Dr. Carson would love to do this, but because of the presidential election, he won't be able to. However, he thanks you for the invitation and hopes that you will consider him again next year.

We have agreed that we would be willing to accommodate as far as we can if it were to enable Dr Carson to participate in this debate. As such, we would be willing to contribute towards the cost of the international flights for Dr Carson, on top of covering UK transport and accommodation in a 5* hotel or Oxford College for Dr Carson, his wife and yourself.

I hope this gesture demonstrates just how keen we are for Dr Carson to participate in this historic debate; it is one that is certainly on the minds of many in the US and we would, therefore, be delighted if someone of Dr Carson's distinction were to tackle it head on.

With regards to dates, I am currently leaning towards locking down the 3rd November due to the interest and preference of other

Given that Dr. Carson is someone of immense distinction, and that this event is set to have global significance, I will shortly be meeting with the President and Treasurer to discuss what options we have in this exceptional circumstance. Though I should say that if we were able to cover the cost of international travel, it would most likely only be available to Dr.Carson.

As mentioned, it is only in very exceptional circumstances that we are able to pay for flights, but I will do my best. Many speakers agree to cover at least part of their own international travel because the prestige of speaking in our historic chamber, and the impact this can have, is such a strong impetus for coming.

Dear Mr Singleton,

Thank you for your swift response and it is very nice to meet you, albeit over email.

We are currently in communication with a number of very high profile US political figures. Many have expressed interest and we are now seeking to find the most suitable date for all. Until this is done, I cannot confirm exactly who Dr Carson will be debating alongside/against, but I am happy to keep you updated as and when confirmations come in.

What I can assure you is that all other participants will be of the same high calibre as Dr Carson, especially since I am working very closely with the President of the Oxford American Society and the Union's contacts in the US to ensure this is so. Indeed, the Oxford Union is known for pulling off hugely high profile events, as exemplified by Secretary John Kerry's visit this outgoing term. As I stated below, we expect this to be our headline event given the timing, and we would love Dr Carson to be a part of it.

Responsive Emails

The format of the event would be a debate in the British Parliamentary style. On each side, there would be a student speaker and two guest speakers of distinction. Each would speak for approximately ten minutes in the debate. Dr Carson will not need to take questions from students, however, this style of debating does allow for 'Points of Information'; that is, a student or guest speaker may attempt to make interruptions, which the speaker may respectfully accept or decline.

The Oxford Union is a student-run society with charitable status. As such, we are not able to cover the cost of international flights. That said, we can offer to cover all UK transport and accommodation in a 5* hotel or Oxford college for Dr Carson, his wife and yourself. We also host a black tie three-course dinner before the event and a formal drinks reception after the event that you would all be welcome to attend.

I hope that answers your questions. As promised, I have attached a formal invitation for Dr Carson which offers similar detail to the one in this email.

It would be great to set up a call to discuss this further. In the meantime, please feel free to contact me if you have any other queries.

Dear Sir/Madam,

First of all, I apologise for introducing myself via email. My name is Chris and I am the Assistant to the President of the Oxford Union, Noah Lachs, for the Autumn term. I am also the executive committee member organising the upcoming term's US debate. I am writing with the hope that you may be able to pass

Responsive Emails

an invitation on to Dr Carson.

Founded in 1823, the Oxford Union is the largest society at the University of Oxford and one of the most famous student societies in the world. In the past we have hosted visits from US Presidents Reagan, Nixon and Carter, Nancy Pelosi, Morgan Freeman, the Dalai Lama, Mother Teresa, and, just this outgoing term, Secretary John Kerry and Former British Prime Minister John Major.

It is with great delight that I invite Dr Carson to continue this tradition of hosting big political names and to speak in a debate on the motion:

This House believes the US Presidential race reveals a broken two-party state.

Given the timing of the event and the fact that we are, principally, a debating society, we expect this debate to be the headliner of our term card and one that may have a momentous impact on the US election. We are also working in collaboration with the President of the Oxford American Society to ensure this is so.

If Dr Carson were to be interested, there are three possible dates for the debate in order for it to be before the Presidential election (likely to be held, as is tradition, on a Thursday): 20th October, 27th October or 3rd November. I would be happy to send a formal invitation with further information about the event included. We do recognise that our debates are far more restrictive in terms of scheduling than our speaker events. As such, if Dr Carson is not available for the above dates, but would still be interested in coming, before or after the election, we would be utterly thrilled to host him individually nonetheless.

Thank you in advance for your help and please do not hesitate to

Responsive Emails

contact me if you have any questions.

With warm regards,

Chris

Subject: Oxford Union - Invitation for Secretary Ben Carson

Dear Ms Greenwood,

I hope that this email finds you well and that you do not mind me reaching out through an unsolicited avenue. My name is Chris and I am the President Elect of the Oxford Union, the University of Oxford's debating and speaking society.

Over the past months, I have had an extensive exchange of telephone calls and emails with Secretary Carson's former aide, Mr. Singleton (see below), with regards to an invitation the Oxford Union has extended to the Secretary to come and speak here. Indeed, Secretary Carson has personally expressed his interest in speaking here, following in the footsteps of US Presidents Reagan, Nixon and Carter, Senator John McCain, Leader Pelosi and Senator Robert Kennedy, as well as US Secretaries John Kerry, Ash Carter and Jacob Lew, all of whom have come over the past couple of terms.

Responsive Emails

In my last phone conversation with Mr. Singleton, we discussed the logistics and possible dates that Secretary Carson could come to discuss the Urban Development issues that both our nations face, and how best to address them - Mr. Singleton has suggested that you or Ms Deana Bass are the best people to continue that discussion in his absence. As such, I wondered whether you might have time to set up a call so that I can introduce myself properly and so that we might, perhaps, be able to continue those discussions?

I have attached a formal letter of invitation that contains further information, and which I would be grateful if you could pass on to the Secretary. If there is anything else I can do in the meantime, please do not hesitate to let me know.

Though I should say that if we were able to cover the cost of international travel, it would most likely only be available to Dr. Carson.

As mentioned, it is only in very exceptional circumstances that we are able to pay for flights, but I will do my best. Many speakers agree to cover at least part of their own international travel because the prestige of speaking in our historic chamber, and the impact this can have, is such a strong impetus for coming.

Dear Mr Singleton,

Thank you for your swift response and it is very nice to meet you, albeit over email.

We are currently in communication with a number of very high profile US political figures. Many have expressed interest and we are now seeking to find the most suitable date for all. Until this is done, I cannot confirm exactly who Dr Carson will be debating alongside/against, but I am happy to keep you updated as and when confirmations come in.

What I can assure you is that all other participants will be of the same high calibre as Dr Carson, especially since I am working very closely with the President of the Oxford American Society and the Union's contacts in the US to ensure this is so. Indeed, the Oxford Union is known for pulling off hugely high profile events, as exemplified by Secretary John Kerry's visit this outgoing term. As I stated below, we expect this to be our headline event given the timing, and we would love Dr Carson to be a part of it.

The format of the event would be a debate in the British

Responsive Emails

Parliamentary style. On each side, there would be a student speaker and two guest speakers of distinction. Each would speak for approximately ten minutes in the debate. Dr Carson will not need to take questions from students, however, this style of debating does allow for 'Points of Information'; that is, a student or guest speaker may attempt to make interruptions, which the speaker may respectfully accept or decline.

The Oxford Union is a student-run society with charitable status. As such, we are not able cover the cost of international flights. That said, we are can offer to cover all UK transport and accommodation in a 5* hotel or Oxford college for Dr Carson, his wife and yourself. We also host a black tie three-course dinner before the event and a formal drinks reception after the event that you would all be welcome to attend.

I hope that answers your questions. As promised, I have attached a formal invitation for Dr Carson which offers similar detail to the one in this email.

It would be great to set up a call to discuss this further. In the meantime, please feel free to contact me if you have any other queries.

Dear Sir/Madam,

First of all, I apologise for introducing myself via email. My name is Chris and I am the Assistant to the President of the Oxford Union, Noah Lachs, for the Autumn term. I am also the executive committee member organising the upcoming term's US debate. I am writing with the hope that you may be able to pass an invitation on to Dr Carson.

Responsive Emails

Founded in 1823, the Oxford Union is the largest society at the University of Oxford and one of the most famous student societies in the world. In the past we have hosted visits from US Presidents Reagan, Nixon and Carter, Nancy Pelosi, Morgan Freeman, the Dalai Lama, Mother Teresa, and, just this outgoing term, Secretary John Kerry and Former British Prime Minister John Major.

It is with great delight that I invite Dr Carson to continue this tradition of hosting big political names and to speak in a debate on the motion:

This House believes the US Presidential race reveals a broken two-party state.

Given the timing of the event and the fact that we are, principally, a debating society, we expect this debate to be the headliner of our term card and one that may have a momentous impact on the US election. We are also working in collaboration with the President of the Oxford American Society to ensure this is so.

If Dr Carson were to be interested, there are three possible dates for the debate in order for it to be before the Presidential election (likely to be held, as is tradition, on a Thursday): 20th October, 27th October or 3rd November. I would be happy to send a formal invitation with further information about the event included. We do recognise that our debates are far more restrictive in terms of scheduling than our speaker events. As such, if Dr Carson is not available for the above dates, but would still be interested in coming, before or after the election, we would be utterly thrilled to host him individually nonetheless.

Thank you in advance for your help and please do not hesitate to contact me if you have any questions.

Subject: Oxford Union - Invitation for Secretary Ben Carson

Dear Ms Greenwood,

I hope that this email finds you well and that you do not
mind me reaching out through an unsolicited avenue. My name is
Chris and I am the President Elect of the Oxford Union, the
University of Oxford's debating and speaking society.

Over the past months, I have had an extensive exchange of

Responsive Emails

telephone calls and emails with Secretary Carson's former aide, Mr. Singleton (see below), with regards to an invitation the Oxford Union has extended to the Secretary to come and speak here. Indeed, Secretary Carson has personally expressed his interest in speaking here, following in the footsteps of US Presidents Reagan, Nixon and Carter, Senator John McCain, Leader Pelosi and Senator Robert Kennedy, as well as US Secretaries John Kerry, Ash Carter and Jacob Lew, all of whom have come over the past couple of terms.

In my last phone conversation with Mr. Singleton, we discussed the logistics and possible dates that Secretary Carson could come to discuss the Urban Development issues that both our nations face, and how best to address them - Mr. Singleton has suggested that you or Ms Deana Bass are the best people to continue that discussion in his absence. As such, I wondered whether you might have time to set up a call so that I can introduce myself properly and so that we might, perhaps, be able to continue those discussions?

I have attached a formal letter of invitation that contains further information, and which I would be grateful if you could pass on to the Secretary. If there is anything else I can do in the meantime, please do not hesitate to let me know.

Best wishes,
Chris

First of all, I want to sincerely thank you for your effort in trying to organise for Dr Carson to come to the Oxford Union. I hope you are well and have had a good weekend. I wanted to touch base again having met with the the President and Treasurer, and now the rest of the executive committee this morning (GMT).

We have agreed that we would be willing to accommodate as far as we can if it were to enable Dr Carson to participate in this debate. As such, we would be willing to contribute towards the cost of the international flights for Dr Carson, on top of covering UK transport and accommodation in a 5* hotel or Oxford College for Dr Carson, his wife and yourself.

I hope this gesture demonstrates just how keen we are for Dr Carson to participate in this historic debate; it is one that is certainly on the minds of many in the US and we would, therefore, be delighted if someone of Dr Carson's distinction were to tackle it head on.

With regards to dates, I am currently leaning towards locking down the 3rd November due to the interest and preference of other notable speakers. If Dr Carson would like to participate, would this date work? (If not, do not worry, as I am happy to keep the two alternative dates open).

Given that Dr. Carson is someone of immense distinction, and that this event is set to have global significance, I will shortly be meeting with the President and Treasurer to discuss what options we have in this exceptional circumstance. Though I should say that if we were able to cover the cost of international travel, it would most likely only be available to Dr. Carson.

As mentioned, it is only in very exceptional circumstances that we are able to pay for flights, but I will do my best. Many speakers agree to cover at least part of their own international travel because the prestige of speaking in our historic chamber, and the impact this can have, is such a strong impetus for coming.

Dear Mr Singleton,

I hope you are well. Apologies for following up so soon.

As I said below, we are currently in negotiation with a number of very high profile speakers and it is getting to the stage where I would like to try and identify the best date to hold the event. If Dr. Carson is interested in participating, it would be fantastic to know his preferred date(s) so that I can reconcile this with the preference of others.

We hope that Dr Carson recognises the significant benefits of speaking on such a platform. It is an opportunity for him to have his say on a platform previously occurred by the likes of four US Presidents and, more recently, John Kerry, John McCain and Nancy Pelosi.

Indeed, if you or he would like to discuss this further, I'd be happy to set up a call and run you through all the details. Otherwise, let me know if there is anything I can do in the meantime, and I look forward to hearing from you soon.

Kind regards,

Chris

Dear Mr Singleton,

Thank you for your swift response and it is very nice to meet

you, albeit over email.

We are currently in communication with a number of very high profile US political figures. Many have expressed interest and we are now seeking to find the most suitable date for all. Until this is done, I cannot confirm exactly who Dr Carson will be debating alongside/against, but I am happy to keep you updated as and when confirmations come in.

What I can assure you is that all other participants will be of the same high calibre as Dr Carson, especially since I am working very closely with the President of the Oxford American Society and the Union's contacts in the US to ensure this is so. Indeed, the Oxford Union is known for pulling off hugely high profile events, as exemplified by Secretary John Kerry's visit this outgoing term. As I stated below, we expect this to be our headline event given the timing, and we would love Dr Carson to be a part of it.

The format of the event would be a debate in the British Parliamentary style. On each side, there would be a student speaker and two guest speakers of distinction. Each would speak for approximately ten minutes in the debate. Dr Carson will not need to take questions from students, however, this style of debating does allow for 'Points of Information'; that is, a student or guest speaker may attempt to make interruptions, which the speaker may respectfully accept or decline.

The Oxford Union is a student-run society with charitable status. As such, we are not able to cover the cost of international flights. That said, we can offer to cover all UK transport and accommodation in a 5* hotel or Oxford college for Dr Carson, his wife and yourself. We also host a black tie three-course dinner before the event and a formal drinks reception after the event that you would all be welcome to attend.

I hope that answers your questions. As promised, I have attached

Responsive Emails

a formal invitation for Dr Carson which offers similar detail to the one in this email.

It would be great to set up a call to discuss this further. In the meantime, please feel free to contact me if you have any other queries.

Thank you again for reaching out and I look forward to hearing back from you.

Chris,

Good morning and thank you for the email. I do have a few questions: Who will Dr. Carson be debating? Is he expected to take questions from students? How long is the format? Lastly, will travel and hotel accommodations be provided, if so, for how many individuals? Usually, it's Dr. Carson, his wife Mrs. Candy

Carson, and myself as his Communications Director.

Also, please send a formal invitation along with the answers to the above questions. Thank you and I look forward to your response.

Dear Sir/Madam,

First of all, I apologise for introducing myself via email. My name is Chris and I am the Assistant to the President of the Oxford Union, Noah Lachs, for the Autumn term. I am also the executive committee member organising the upcoming term's US debate. I am writing with the hope that you may be able to pass an invitation on to Dr Carson.

Founded in 1823, the Oxford Union is the largest society at the University of Oxford and one of the most famous student societies in the world. In the past we have hosted visits from US Presidents Reagan, Nixon and Carter, Nancy Pelosi, Morgan Freeman, the Dalai Lama, Mother Teresa, and, just this outgoing term, Secretary John Kerry and Former British Prime Minister John Major.

It is with great delight that I invite Dr Carson to continue this tradition of hosting big political names and to speak in a debate on the motion:

Responsive Emails

This House believes the US Presidential race reveals a broken two-party state.

Given the timing of the event and the fact that we are, principally, a debating society, we expect this debate to be the headliner of our term card and one that may have a momentous impact on the US election. We are also working in collaboration with the President of the Oxford American Society to ensure this is so.

If Dr Carson were to be interested, there are three possible dates for the debate in order for it to be before the Presidential election (likely to be held, as is tradition, on a Thursday): 20th October, 27th October or 3rd November. I would be happy to send a formal invitation with further information about the event included. We do recognise that our debates are far more restrictive in terms of scheduling than our speaker events. As such, if Dr Carson is not available for the above dates, but would still be interested in coming, before or after the election, we would be utterly thrilled to host him individually nonetheless.

Thank you in advance for your help and please do not hesitate to contact me if you have any questions.

With warm regards,

Chris

Thank you, so much! If you can send over the confirmation number for the American Airlines flight when you can that would be great. Our security detail will need that as well.

Thank you, again, for everything. Your patience with me in this process has been greatly appreciated!

Armstrong, shalom.

I hope you're doing well and that you had a great July 4th weekend!

I'm going to be in the US for the last 2 weeks of July, and if possible, I would love to have the opportunity for a very brief meeting with you and Secretary Carson to update him about the newest discoveries from the City of David since his last visit 2 years ago, and their broader impact on the political discourse surrounding Jerusalem today, including the spate of UNESCO resolutions denying the Jewish and Christian ties to Jerusalem and how the ongoing archeological excavations at the City of David offer one of the best refutations to such resolutions.

I'd also like to be able to present him with a gift from

Allie,

You have asked whether there are any ethics issues with the

Responsive Emails

Secretary attending a personal lunch with Ze'ev Orenstein. Mr. Orenstein requested the meeting to update the Secretary about the newest discoveries from the City of David since his last visit 2 years ago and their political implications. The Secretary will pay for his own lunch. After review, we find that there are no ethics issues with the Secretary meeting Mr. Orenstein for lunch. Because the Secretary is paying for his own food, there is no prohibited gift.

Please let us know if you have any questions.

<aw@hsh.media<mailto:aw@hsh.media>>

Armstrong, shalom.

I hope you're doing well and that you had a great July 4th weekend!

I'm going to be in the US for the last 2 weeks of July, and if possible, I would love to have the opportunity for a very brief meeting with you and Secretary Carson to update him about the newest discoveries from the City of David since his last visit 2 years ago, and their broader impact on the political discourse surrounding Jerusalem today, including the spate of UNESCO resolutions denying the Jewish and Christian ties to Jerusalem and how the ongoing archeological excavations at the City of David offer one of the best refutations to such resolutions.

I'd also like to be able to present him with a gift from Jerusalem that I'm certain he'll find to be meaningful.

What would be the best way to make such a meeting happen?

Thanks in advance!

Allie,

You have asked whether there are any ethics issues with the Secretary attending a personal lunch with Ze'ev Orenstein. Mr. Orenstein requested the meeting to update the Secretary about the newest discoveries from the City of David since his last visit 2 years ago and their political implications. The Secretary will pay for his own lunch. After review, we find that there are no ethics issues with the Secretary meeting Mr. Orenstein for lunch. Because the Secretary is paying for his own food, there is no prohibited gift.

Please let us know if you have any questions.

What do Black Republicans Believe?

On any level you examine, President Donald Trump's outreach to Blacks is an

unenlightened mess. Trump's appointment of Omarosa Manigault, the former

Apprentice contestant as White House director of communications for the

Office of Public Liaison shows his lack of insight and interest in blacks,

or their issues. Ms. Manigault is the top-ranking African American

official inside the White House is neither a Republican nor black advocate.

Trump pays Ms. Manigault a top salary of \$179,700, but shows little concern

that she has problematic relationship and outreach to blacks. While

Responsive Emails

President Trump views Omarosa as evidence of his commitment to diversity,

but blacks see her as "a spook that blocks the door."

In another "diversity move" Trump has nominated African American Dr. Jerome

M. Adams to be US Surgeon General. A number of black Republicans hold

prominent public-and-private-sector positions. A common thread among

high-profile black Republicans is a "commitment to colorblind politics."

You

see this modus operandi with broadcaster Charles Payne and

Responsive Emails

politicians like

Representative Mia Love of Utah and South Carolina's
Senator Tim Scott .

They acknowledge that being black is part of their life
experience but

reject that racial identity should orient their political
decision-making,

often decrying efforts like affirmative action to address
racial

inequality.

Race-conscious Republicans see themselves closely linked to
the broader

black community and view conservative politics as a tool of
of black

uplift.

Contemporary blacks' support of Republican policy positions
are based on

Republican leanings and philosophies. Black Republican
publishers have

always the way for the race. Abolitionist and ex-slave
Frederick Douglass

published the North Star as an anti-slavery newspaper in
1846. Later in

blacks' trials in America, Robert L. Vann published the
Pittsburgh Courier.

Under his leadership, The Courier developed into one of the
leading black

newspapers. By the 1930s it was the highest circulated
black newspaper in

US. The Call & Post was started in 1916 by Cleveland

inventor Garrett

Morgan. Under influence of publisher W.O. Walker, the Call & Post

established itself as the voice for African Americans. C.A. Scott was a

prominent conservative Republican that published The Atlanta Daily World.

C.A. Scott was powerful political force. In 1944, the Daily World became

the first black newspaper to have an African American cover the White

House.

By the 1960s C.A. opposed sit-ins and other direct actions arguing that

growth of black businesses and wealth would be more effective strategies

ending racial oppression.

Blacks' devotion to Democrats has evolved into a dependency on government.

Since the mid-1930s, blacks have increasingly voted for Democrats and their

progressive economic and civil rights policies. FDR's New Deal programs

and

desegregation of the military in the 1940s began the bond Democrats hold

with African-Americans. For blacks to be a force in America, we need to

understand and nurture capitalism. For the past half-century, blacks have

Responsive Emails

primarily supported the Democratic Party. The results of this political

allegiance has created little for blacks, who would function and operate

better in America with free-market and Republican ideology.

Black Republicans believe in political philosophies that uphold liberty as

a

core principle. Their objectives are to maximize political freedom and

autonomy, emphasize freedom of choice, voluntary association, individual

Responsive Emails

and

self-ownership. Black Republicans have faith in the private sector to

afford opportunity, reduce poverty and create jobs. In addition to market

economies, black Republicans believe in limited government and desire less

regulation. We believe in governments operating under balanced budgets and

have conviction that our country's debt crisis is real and must be

addressed. We believe in the biblical-touted family structure of father,

mother and children for blacks. We see that the black family's structure

is

predominately female-headed. That is a matter of interest to us as we seek

Responsive Emails

to mitigate links between black family structure and poverty. Like-minded,

we know with certainty that civil institutions including families,

voluntary

associations, churches and synagogues is the lifeblood of society, and is

to

be protected from government meddling. While whites are united defending

Israel, black Republicans' support for Israel is tempered by sympathies for

the Palestinians' plight. The majority of Republican-leaning blacks oppose

minimum wage and abortion on demand legislation.

Jacie,

The Secretary has been asked to speak at the National Bankers Association (NBA) 90th Annual Convention on October 7, 2017, in Washington, DC. NBA would like the Secretary to serve as the keynote speaker for the convention banquet. The Secretary has been asked to speak about the Department's initiatives and how the Administration will be handling affordable housing for those living in low-to-moderate communities in America. After review, we find that the Secretary may speak in his official capacity subject to the following limitations.

Under 5 C.F.R. § 2635.203(b)(8), the Secretary may speak at outside events on behalf of HUD and may accept free attendance, including meals, on the day of his presentation. However, the Secretary may not accept an honorarium for speaking and his participation should not be overemphasized to imply that HUD endorses the NBA or the event.

If you have any questions, please contact me.

Jacie,

The Secretary has been asked to speak at the National Bankers Association (NBA) 90th Annual Convention on October 7, 2017, in Washington, DC. NBA would like the Secretary to serve as the keynote speaker for the convention banquet. The Secretary has been asked to speak about the Department's initiatives and how the Administration will be handling affordable housing for those living in low-to-moderate communities in America. After review, we find that the Secretary may speak in his official capacity subject to the following limitations.

Under 5 C.F.R. § 2635.203(b)(8), the Secretary may speak at outside events on behalf of HUD and may accept free attendance, including meals, on the day of his presentation. However, the Secretary may not accept an honorarium for speaking and his

participation should not be overemphasized to imply that HUD endorses the NBA or the event.

Hi Amy and Raffi,

Responsive Emails

We just wanted to run this event by you before we confirm- the Secretary was invited to speak to the National Bankers Association on October 6 in DC. He was invited for keynote remarks at 7pm, we would definitely try to see if we can have him speak earlier in the day. Let us know if you are ok with us confirming, I'm not sure what is planned from a messaging perspective in October.

Thank you very much,

-Ben

Good Afternoon Mr. Williams!

Secretary Carson informed us of the meeting with the Prime Minister of Malaysia on Monday at 4 PM. Before we can confirm this, we must seek permission from the State Department and the White House Military Office. We will need the meeting topics, list of attendees and any pertinent information that the White House/State Department and our security team would need. Can you please send this information over at your earliest convenience?

Thank you so much!

Hope you're having a wonderful Thanksgiving. I'm so glad I'm free to have a chance to catch up on things since our family had to celebrate early to accommodate all the schedules.

I hope the offer still stands that you don't mind helping with the invitations. There are two sub-lists: the family one and the friends one. I know I can get the family list done. If you could do the friends one that would be great. The two lists are below.

Thank you soooooooooooooooooo much!!

Dear Sir or Madam:

Please see the attached event request form for the honorable Dr. Carson, Secretary of Department of Housing and Urban Development (HUD). RCCS, a recognized 501(c)3 organization, provides an array of services for cancer-stricken patients in need; primary among them is the subsidizing of health insurance premiums, enabling them to obtain the best possible medical care. Because of the record number of subsidy requests this year for RCCS assistance, the outcome of this year's RCCS Chinese Auction effort are more important than ever. It would be an honor and a privilege to our

Hi Raffi,

My name is Jake Turx and I'm the senior White House correspondent for Ami Magazine. I'd like to put you in touch with RCCS, an organization that helps children who are fighting cancer.

As I've discussed with Shermichael, RCCS, the Rofeh Cholim Cancer Society, would like to honor Dr. Carson for the countless lives (especially of children) that he's saved throughout his career.

Their upcoming annual event is in Brooklyn on December 11, and the organization would like to extend a formal invite. If Dr. Carson's schedule doesn't allow him to attend in person they'd be thrilled if he would agree to record a pre-taped message.

I've cc'd Esty, she's one of the RCCS directors who will help facilitate things from their end.

Much respect,

P.S. We tried setting something up last December but were told that nothing could be arranged until after Dr. Carson's confirmation. So, here we are!

Dear Sir or Madam:

Please see the attached event request form for the honorable Dr. Carson, Secretary of Department of Housing and Urban Development (HUD). RCCS, a recognized 501(c)3 organization, provides an array of services for cancer-stricken patients in need; primary among them is the subsidizing of health insurance premiums, enabling

them to obtain the best possible medical care. Because of the record number of subsidy requests this year for RCCS assistance, the outcome of this year's RCCS Chinese Auction effort are more important than ever. It would be an honor and a privilege to our organization if Dr. Carson would be able to provide us with a video greeting to our live event that will take place on December 11th, 2017. Thank you very much for your time and consideration.

Kind regards,

Hi Raffi,

My name is Jake Turx and I'm the senior White House correspondent for Ami Magazine. I'd like to put you in touch with RCCS, an organization that helps children who are fighting cancer.

As I've discussed with Shermichael, RCCS, the Rofeh Cholim Cancer Society, would like to honor Dr. Carson for the countless lives (especially of children) that he's saved throughout his career.

Their upcoming annual event is in Brooklyn on December 11, and the organization would like to extend a formal invite. If Dr. Carson's schedule doesn't allow him to attend in person they'd be thrilled if he would agree to record a pre-taped message.

Responsive Emails

I've cc'd Esty, she's one of the RCCS directors who will help facilitate things from their end.

Much respect,

Jake

P.S. We tried setting something up last December but were told that nothing could be arranged until after Dr. Carson's confirmation. So, here we are!

Hey Guys,

I was looking at the following clip:
(<http://www.armstrongwilliams.com/tv-shows/>) from the Armstrong
Williams show and thought it would be a good idea for you to take
a look, in case you have not already, and get an even better
understanding as where the Honorable Dr. Carson is coming from.
Particularly, as it relates to his model for the EnVision Center.
Very positive!

Hi Caitlin,

Our teachers will compile a list of questions. Could you let us know a time that works for his schedule so we can begin to teach each of those groups of students a bit about Dr. Carson and the importance of his position as well as the importance of the Department of Housing and Urban Development (as we have six periods throughout the day)

Sincerely,

Good Afternoon Ralph,

Thank you for your request for the Secretary to record a video greeting for the children at Pinecrest Academy of Nevada. The Secretary would be delighted to speak to them about his career and how hard work and determination played an important role in his success.

I've looped in our press team who can further coordinate. From my understanding, you need this done by February 2nd-correct?

Please let me know if you have any additional questions.

Thanks!

Could you let us know a time that works for his schedule so we can begin to teach each of those groups of students a bit about Dr. Carson and the importance of his position as well as the importance of the Department of Housing and Urban Development (as we have six

Good Afternoon Ralph,

Thank you for your request for the Secretary to record a video greeting for the children at Pinecrest Academy of Nevada. The Secretary would be delighted to speak to them about his career and how hard work and determination played an important role in his success.

I've looped in our press team who can further coordinate. From my understanding, you need this done by February 2nd-correct?

Please let me know if you have any additional questions.

Thanks!

RE: Freedom of Information Act Request
FOIA Control No.: 18-FI-HQ-00996
Civil Action Number: 18-cv-793

Dear Mr. Evers:

This letter is the second interim response to your Freedom of Information Act (FOIA) request dated March 1, 2018. Your request was received on March 2, 2018, and you asked for all Department of Housing and Urban Development records since January 20, 2017, reflecting communications (including but not limited to emails, email attachments, text messages, chat or Slack messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any responsive communications, summaries of any responsive communications, or other materials) between (a) Secretary Benjamin Carson; his chief of staff; or any political appointees or career SES employees in the Office of the Secretary or the Office of Public Affairs and (b) Armstrong Williams, any employee or representative of Armstrong Williams Productions, LLC (AWP) (@armstrongwilliams.com), Shermichael Singleton, or any employee or representative of Howard Stirk Holdings or HSH Media (@hsh.media), or any employee or representative of Graham Williams Group.

“Political appointee” is understood as any person who is a Presidential Appointee with Senate Confirmation (PAS), a Presidential Appointee (PA), a Non-career Senior Executive Service (SES) member, any Schedule C employees, or any persons hired under Temporary Non-career SES Appointments, Limited Term SES Appointments, or Temporary Transitional Schedule C Appointments.

For this release, you asked that we limit our review in the following ways:

1. Review only emails, temporarily excluding attachments;
2. Exclude records of custodians David Eagles, Hunter Kurtz, and Pam Patenaude;
3. Exclude HUD Daily Briefings, unless forwarded with additional content; and
4. Exclude records flagged for Shermichael Singleton’s hud.gov account while he was an employee of the Department (January 20, 2017 – February 16, 2017).

Your request is granted in part. Enclosed is a set of email communications with the specified parties. For this interim release, 2,782 de-duplicated records were located through our electronic discovery search. Applying the limitations detailed above, 481 potentially-responsive emails were identified, with the following results:

Custodian	Emails Processed	Responsive Emails	Non-Responsive Emails	Total Responsive Page Count
Jerry Brown	243	1	242	1
Amy Thompson	112	0	112	0
Sheila Greenwood	77	3	74	3
Raffi Williams	49	0	49	0
TOTALS	481	4	477	4*

*this figure also represents the number of pages released; no pages were withheld in full

I am withholding personal email addresses under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy.

Please be advised that the review of records responsive to your request is ongoing. Further interim responses may be provided to you as this process continues. At the completion of this review, a final response letter will be provided. The final response letter will detail all applicable appeal rights.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6. Please also be advised that all appeal rights related to your request will be provided to you in a final response letter.

If you have questions regarding your request, please contact Assistant United States Attorney Joshua Kolsky at (202) 252-2541. Thank you for your interest in the Department's programs and policies.

I know they are interesting to working together. I believe we did the same for Sec Jackson and Sec Spellings when we all were working at ED and HUD, back in the day ;-).

Dear Mr. Evers:

This letter is the third interim response to your Freedom of Information Act (FOIA) request dated March 1, 2018. Your request was received on March 2, 2018, and you asked for all Department of Housing and Urban Development records since January 20, 2017, reflecting communications (including but not limited to emails, email attachments, text messages, chat or Slack messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any responsive communications, summaries of any responsive communications, or other materials) between (a) Secretary Benjamin Carson; his chief of staff; or any political appointees or career SES employees in the Office of the Secretary or the Office of Public Affairs and (b) Armstrong Williams, any employee or representative of Armstrong Williams Productions, LLC (AWP) (@armstrongwilliams.com), Shermichael Singleton, or any employee or representative of Howard Stirk Holdings or HSH Media (@hsh.media), or any employee or representative of Graham Williams Group.

Your request is granted in part. Landline call logs were collected for all applicable employees (current and former) during the specified timeframe. Searches were then run within each employee’s log to locate calls made to, or received from, any known telephone numbers of the named individuals or entities. Enclosed is a spreadsheet containing call log entries showing calls made to or received from Armstrong Williams and Shermichael Singleton. For reference, the following HUD employee telephone extensions are contained in the spreadsheet:

- Extension 3326 – Secretary Ben Carson
- Extension 5524 – Raphael “Raffi” Williams

I am withholding personal telephone numbers under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy.

RE: Freedom of Information Act Request
FOIA Control No.: 18-FI-HQ-00996
Civil Action Number: 18-cv-793

Dear Mr. Evers:

This letter is the fifth interim response to your Freedom of Information Act (FOIA) request dated March 1, 2018. Your request was received on March 2, 2018, and you asked for all Department of Housing and Urban Development records since January 20, 2017, reflecting communications (including but not limited to emails, email attachments, text messages, chat or Slack messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any responsive communications, summaries of any responsive communications, or other materials) between (a) Secretary Benjamin Carson; his chief of staff; or any political appointees or career SES employees in the Office of the Secretary or the Office of Public Affairs and (b) Armstrong Williams, any employee or representative of Armstrong Williams Productions, LLC (AWP) (@armstrongwilliams.com), Shermichael Singleton, or any employee or representative of Howard Stirk Holdings or HSH Media (@hsh.media), or any employee or representative of Graham Williams Group.

“Political appointee” is understood as any person who is a Presidential Appointee with Senate Confirmation (PAS), a Presidential Appointee (PA), a Non-career Senior Executive Service (SES) member, any Schedule C employees, or any persons hired under Temporary Non-career SES Appointments, Limited Term SES Appointments, or Temporary Transitional Schedule C Appointments.

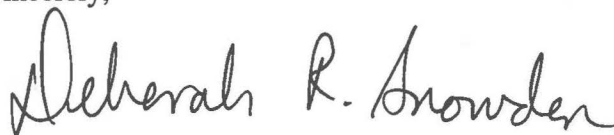

HUD and American Oversight agreed to narrow the list of potential custodians for cell phone records to nine employees. Of the nine employees, responsive text messages (including standard text messages and messages sent through applications such as Slack and WhatsApp) were identified on the HUD-issued mobile device of one custodian, Raphael “Raffi” Williams. In response to your request, enclosed are three text messages exchanged between Raffi Williams and Armstrong Williams during the requested timeframe.

Please be advised that the review of records that may be responsive to your request is ongoing. Further interim responses may be provided to you as this process continues. At the completion of this review, a final response letter will be provided.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6.

If you have questions regarding your request, please contact Assistant United States Attorney Paul Cirino at (202) 252-2529. Thank you for your interest in the Department's programs and policies.

Sincerely,

A handwritten signature in black ink that reads "Deborah R. Snowden". The signature is fluid and cursive, with the first name being the most prominent.
